

H&L Integration to MYOB

Massive time savings on your daily administration. Less effort required to do cheque reconciliations, credit card reconciliations, BAS and tax submissions - all the data is ready to be printed. No more last minute rushing to do BAS submissions or attract additional accounting/bookkeeping fees.

88% of users consider accounting integration to be very important, or critical to their overall business software solution.

98% of users are very happy, or better with the OzBiz_EzyLink programme

85% of users consider the OzBiz support to be really good, or better.

100% of users consider the OzBiz_EzyLink programme to be good value for money.

(source: OzBiz H&L client survey released 28/9/2010.)

If anyone is using H&L and MYOB they should have this programme.

Bridgewater Inn.

This programme is essential to running our business. Great value for money.

North Sydney Cellars.

Absolutely brilliant.

Commercial Hotel Mingenew.

I personally recommend this programme to other H&L users.

The Globe Group.

OzBiz Solutions has worked with the team at H&L to ensure all relevant data is passed to the OzBiz_EzyLink programme. Simply export the days data from Sysnet using the H&L Export programme, open the OzBiz_EzyLink programme and with a single mouse click all your data is correctly posted to MYOB in just a few seconds.

- ✓ Save Time, Effort and Money
- ✓ 1 Mouse click and it's done
- ✓ Locations by MYOB category
- ✓ Import Stock receipts as Bills.
- ✓ Cash or Accrual Accounting
- ✓ Easy BAS/Tax Preparation
- ✓ Easy Credit Card Reconciliation
