“It absolutely works like a dream and is so easy to use. It is saving me hours and hours and hours of bookwork every month. I am very happy with the product. Anyone using RMS with owner accounting really should have this programme!”
Sue White—Flinders Keepers.

“This has made a world of difference to our business.”
Merool on The Murray.

“I think it is fantastic. I have a lot more time to run my business rather than doing the accounting.”
Quest Apartments—Windsor.

“I totally endorse the product and believe it adds an important process to the RMS system. In fact it is so good—I could sell this product!”
Joyce Lawson Comfort Inn Robertson Gardens.

OzBiz Solutions has partnered with the developer teams at RMS, Newbook and Choice Hotels to ensure all the relevant data is produced for OzBiz. Simply export the data, open the OzBiz EzyLink® programme and with a couple of mouse clicks all your data is correctly posted to your accounting in just a few seconds.
